An exhibition and sale of work by WESTOVER ARTISTS. Something for everyone —watercolours, pastels, oils, acrylics and mixed media with a range of subject matter.

The talented ladies who knit, crochet and sew will have some wonderful items to offer for sale, plus other crafts.

There will be a Bake Table with homemade delights from some of our wonderful bakers.

This is our third annual show and sale of work by the very talented members of the Centre who meet and work there each week. There will be many items with a Christmas theme for those special presents or stocking fillers.
